Dear colleagues, candidates and routers,

In order to define the programs of the two European conferences, the organizers inform that numerous abstracts have been received.

For the 6<sup>th</sup> conference of European societies which will take place from the afternoon of August 30<sup>th</sup> to the evening of September 1<sup>st</sup> 2024 the program committee, which 60 proposals, is evaluating the abstracts and believes it can give space to all the proposals by identifying the following method:

15 plenary reports lasting 30 minutes and 45 break-out reports lasting 20 minutes each.

Considering that at the end of the evaluation of the abstracts, scheduled for December 10<sup>th</sup> 2023, it will be necessary to plan the break-outs in order to promote in-depth analysis and debate on the issues raised in the plenary, the organizing committee believes that it will not be possible before January 31<sup>st</sup> 2024 have a definitive program for which it has decided to reformulate the registration form providing a
